

## JCF Frankfurt awards 10 travel grants to attend EuCheMS Chemistry Congress

On the occasion of the [3<sup>rd</sup> EuCheMS Chemistry Congress](#) the [JungChemikerForum](#) Frankfurt am Main (part of the [German Chemical Society](#)) awards 10 travel grants to scientist from Eastern Europe in order to strengthen and advance the [EuropeanYoungChemistsNetwork \(EYCN\)](#). Moreover, the scientific exchange with Eastern European young chemists shall be promoted to further expand the existing network.

The [Spring Symposium](#) of the JungChemikerForum has repeatedly attracted young committed scientists from Eastern Europe. To additionally provide a suitable international platform at the 3<sup>rd</sup> EuCheMS Congress in Nuremberg 2010 the JungChemikerForum Frankfurt am Main offers 10 travel grants worth 250 € each to young colleagues from Eastern European countries.

*Eligible to apply are Master or PhD students from Eastern Europe\*.*

Following requirements are to be fulfilled:

- You study chemistry or a chemistry related degree program in Eastern Europe\*.
- You actively participate in the conference (poster or oral presentation).

Your application has to include:

- CV
- Confirmation of registration for the [3<sup>rd</sup> EuCheMS Chemistry Congress](#)
- Confirmation of oral or poster presentation

Deadline for applications: **31<sup>st</sup> of July, 2010**

Please hand in your applications or further requests (English only) via email (pdf preferred; 5 MB max.) to:

[euchems2010\(at\)jcf-ffm.de](mailto:euchems2010(at)jcf-ffm.de)

A committee of the JCF Frankfurt am Main and its alumni will choose the 10 participants at the beginning of August 2010.
