

# Second announcement

## 3<sup>rd</sup> Slovene Microscopy Symposium

May 16 — 17, 2019

Ankaran, SLOVENIA

The Slovene Society for Microscopy wishes to announce that the 3rd Slovene Microscopy Symposium will take place in Ankaran, Slovenia (hotel Convent) between the 16th and 17th of May, 2019.

The principle aim of the symposium is to bring together experts and young researchers using different microscopy techniques in the fields of material and life sciences, working in the academic as well as the industrial sector. In addition to presenting recent achievements in the field of microscopy, the symposium hopes to provide an overview of research activities of groups using various microscopic techniques, enabling the exchange of knowledge and experience between different fields of microscopy and research as well as between microscopy users in Slovenia.

On behalf of the Society, we cordially invite you to attend the 3rd Slovene Microscopy Symposium as participants, presenters, exhibitors or sponsors and contribute to the promotion of microscopy in Slovenia.

The registration fee, which covers the participation at the symposium, the book of abstracts, refreshments during breaks, two lunches and the symposium dinner, is:

- 100 EUR for active members of the Slovene society for microscopy
- 150 EUR for non-members

You may register and find more information about the event on its website: [https://eventgrids.com/events/2019\\_sdm/](https://eventgrids.com/events/2019_sdm/)

See you in Ankaran!  
The organizing committee
