

February 19, 2020

Dear Colleagues,

on behalf of the Scientific and Organizing Committee it is our great pleasure to invite researchers and practitioners of liquid and gaseous phase chromatography as well as capillary electromigration separation techniques to participate in the 26th International Symposium on Separation Sciences ([26th ISSS](#)), which will be held on **June 29 - July 2 2020** in Ljubljana, Slovenia.

The program will include invited lectures, oral and poster presentations. The exhibition will form an integral part of the symposium and will be located in the venue halls.

The symposium will cover new advances and challenges in all fields of separation sciences and hyphenated techniques thereof. It will provide an excellent opportunity for young scientists as well as renowned researches and industrial partners to exchange opinions, introduce ground-breaking ideas, and acquire new practical knowledge.

Attractive and rich social programme will create a perfect atmosphere to connect with old acquaintances and build long-lasting friendships that may blossom into fruitful joint adventures.

VENUE

The 26th International Symposium on Separation Sciences will be held at the [Grand Hotel Union](#), located on Miklošičeva cesta 1 in the center of Ljubljana, Slovenia.

ACCOMMODATION

For your convenience we managed to negotiate special accommodation prices at four [Union hotels](#) in the centre of Ljubljana from June 28 to July 3 2020, for bookings made prior to **June 1**. Please keep in mind that after June 1, regular hotel room rates will apply. In Ljubljana, there are numerous sights, which are worth a visit. Excellent location of Union hotels enables on foot sightseeing and lets you experience the city vibe.

ABSTRACT SUBMISSION AND REGISTRATION

Abstract submission and registration will open on February 25 2020.

EXHIBITION

Vendors will have the opportunity to exhibit their instrumentation, accessories, chemicals and the literature on separation techniques.
