## **"Integrated Structural Biology - Insights to Combat SCoV2"**

Prof. Dr. Harald Schwalbe will introduce Instruct-ERIC, a European Research Infrastructure Consortium in Integrated Structural Biology. He will then discuss the contribution of Structural Biology in the context of SARS-CoV-2 research, to highlight the need for coordinated research.

Info: Izr. Prof. Dr. Marjetka Podobnik [marjetka.podobnik@ki.si](mailto:marjetka.podobnik@ki.si)

Vljudno vabljeni / Kindly invited
